Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Lind et al., Troyen, barmet, Felder et al., Estallo and Warner et al are cited to illustrate similar elevator hall/button fixtures but do not illustrate a snap fit bezel and wall plate and fixture combination.
